

BEST CHOICE HOME CARE

Best Choice Home Care is a leader in the home health industry. Since 2005, we have been committed to providing quality health care while educating patients about healthy living.

Best Choice Home Care wants patients to lead healthy, independent lifestyles. We work with the patient's physician to create a customized plan to fit the specific health care needs of the patient.

Mission

Best Choice Home Care is dedicated to the cause of caring, healing and alleviating suffering of patients in body, soul and spirit, working hand in hand with families and support persons. The vision of healing the whole person within the comfort of his or her own home is our inspiration to serve.

"Best Choice Home Care; It's the Best Way"

BEST CHOICE WOUND CARE

We are proud to be the only home health with a Board Certified Wound Care registered nurse.

Best Choice Home Health Board Certified Wound Care provides technically advanced, surgical and non-surgical outpatient care to heal wounds that resist conventional therapy. Providing Board Certified Wound Care for chronic, non-healing wounds that have not shown improvement.

These include:

- Neuropathic ulcers in patients with diabetes
- Pressure ulcers due to immobility
- Venous stasis leg ulcers associated with poor circulation

Best Choice is pleased to announce Carla Duncan as our Certified Diabetic Educator. Carla has over 20 years of experience in diabetic management. Her passion is to help individuals understand diabetes and how to live a healthy lifestyle. Carla has developed a teaching program for diabetics that follows the most current evidence based practices. Call Best Choice Home Care for all your diabetic care.
